

NEW Mackay Marine Canada Location – DIGBY, NS

February 14, 2024 . . . Mackay Marine Canada is proud to announce further expansion into the Digby, Nova Scotia area. Mackay Marine is a global leader in Commercial Marine Electronics and Satellite Communications with over 60 service locations worldwide. The Mackay Canada group, previously known as CMC Electronics/Canadian Marconi, are happy to open a dedicated service location in Digby, after a successful history of providing service to the area from our Yarmouth location.

We're pleased to report that Scott Wagner, a lifelong resident of Digby County, will be headlining service for Digby and surrounding areas from this new location.

Mackay plans to continue our reputation of providing top quality sales & service for all brands, while offering innovative new products and cost-effective solutions for our customers.

Scott has been with the Mackay Team for over 10 years, working in the marine industry for over 25 Years. Scott brings a wealth of knowledge & experience, in both electronics & electrical, to the Digby County Fleet. He looks forward to continuing supporting the needs of our existing customers, while welcoming new clientele.

Our new office will be opening February 26th. We will also be holding a “Grand Opening Week” later this Spring, so stay tuned!

If you're looking for service or equipment, give us a call, drop us an email, or stop in & see us!
