Mackay Morid Service

Worldwide Maritime Service

A single point of contact from port to port ... Mackay World Service

IN AN EMERGENCY, WE'LL BE THERE WHEN AND WHERE YOU NEED US

When an emergency arises, contact **Mackay World Service** 7 days a week, 24 hours a day from anywhere in the world and we'll get your electronic maritime equipment up and running. **Mackay World Service** will confirm that a qualified service technician has been dispatched to your vessel.

Our professional factory-trained service technician will:

- Analyze the situation, using the latest diagnostic equipment and years of maritime equipment experience
- Confirm repair/replacement requirements; obtaining your agreement before starting work
- Make repairs, securing necessary parts from Mackay's multi-million dollar inventory
- Follow through completion of service, including multiple-port service if required

... and **Mackay World Service**, with manned coordination centers on 4 continents, will arrange all services from start to finish with just one call, our team is available 24/7.

REDUCE DOWNTIME THROUGH PERIODIC EQUIPMENT SURVEYS

To minimize emergency repairs and equipment failures, **Mackay World Service** can include your vessels in our "Periodic Equipment Survey" program. Either as a stand-alone inspection or an addition to a scheduled service call, a **Mackay Marine Service Technician** will assess the state of your on-board communications, navigation,safety/security and anti-pollution electronic equipment. You will be provided with a comprehensive checklist report, detailing equipment that needs attention.

Mackay World Service goes far beyond basic service, to ensure your maritime equipment is fully-functional and conforms to regulatory requirements:

- We identify trouble-prone equipment and suggest repair or replacement options.
- Mackay maintains a database of your equipment portfolio and repair history by fleet, vessel and type of equipment. Equipment lists are reviewed & updated onboard each visit. All details are made available via *MyMackayOnline* customer portal.
- We inform you about regulatory inspections and renew required documentation.
- Mackay is certified to conduct annual GMDSS Shore Based Maintenance (SBM) inspections anywhere in the world.
- Vessel Flag & Name-Change Coordination Service.
- Offer "Lump Sum Annuals" Service Packages Anytime, Any Mackay Location, Same Cost.
- Robust customer portal: *MyMackayOnline* allows for scheduling Service Requests, review service history, access billing, update equipment, run reports, and more.

We Keep Professional Mariners on the Move

Depend on **Mackay World Service** as your single point of contact, for quality maritime equipment service. Dedicated to helping you minimize downtime, **Mackay World Service** is your worldwide, one-call, one-source service solution.

SERVICE DETAIL & REPORTING SYSTEMS KEEP YOU INFORMED

After completion of service and your vessel is on it's way, **Mackay World Service** provides you with a clearly written summary of work completed and a consolidated billing statement, **regardless of where the service was performed**.

Comprehensive Service Detail, Reports & History, Fleet Equipment Portfolio, regulatory notices, consolidated billing, etc. are accessible on *MyMackayOnline*, customer portal.

With your **Mackay World Service** contract, you will receive quarterly and annual reports, detailing all emergency and scheduled equipment service, including fiscally prudent recommendations on whether specific equipment needs repair or replacement. These reports will save you time and money.
