

PRESS RELEASE – For Immediate Distribution - Sept. 23, 2020

Mackay Acquires Dynamic Marine Systems – Mackay Marine South Africa Now Open for Business

Raleigh, NC, U.S.A. (Sept. 23, 2020) *Mackay Marine*, announces the opening of its newest marine electronics sales and service center in Cape Town, South Africa, following the acquisition of *Dynamic Marine Systems (DMS) (Pty) Ltd.*

Dynamic Marine Systems' team of highly skilled staff have 100+ years collective maritime and naval experience. Specializing in nav/comm electronics, dynamic positioning systems (DP), and automation equipment, DMS serves high-seas, oil & gas, coastal, commercial fishing, and naval customers.

“Expanding our global network to include South Africa has been a long-term goal for Mackay Marine. Waldo Fourie and Todd Gainé – who will remain in charge – have built a stellar team serving nav/com and dynamic positioning customers. Combining DMS with Mackay’s 43 global locations, abundant inventory, extensive training, and breadth of comm/nav partners, will elevate both organizations to better serve current and future customers,” stated Jeff Schlacks, President of Mackay.

Mackay Marine South Africa’s capabilities include:

- Complete bridge electronics, DP & automation sales and service.
- DP, FMEA, and OVID Surveys
- Flat-rate Lump-Sum “Anytime” Prices, globally on all “Annuals” (i.e. VDR, Gyro, Radar Groom, GMDSS)
- Stocked Service Kits for all major nav/comm electronics brands and models
- Access to USD \$10 million global equipment & spare parts inventory
- Global Class Society Approvals
- 24/7 global marine service coordination through *Mackay World Service*
