

IsatPhone^{PRO}TM

IsatPhone^{PRO}

From the world's leading provider of mobile satellite communications, *Inmarsat's* global* handheld satellite phone, the **IsatPhone^{PRO}**.

Competitively Priced, High Quality, Reliable Remote Communications

Robust, compact and cost effective, *Inmarsat's* **IsatPhone^{PRO}** is ideal for business travelers and personal users working or travelling to areas where local networks are unreliable or non-existent; perfectly suited for professional users in government, media, aid, oil & gas, mining, construction, emergency relief, marine sectors and more.

Offering reliable satellite telephony, the **IsatPhone^{PRO}** is the **ONLY global handheld satellite phone to support Bluetooth** for hands-free use - as well as voicemail, SMS text and email messaging; sporting the **longest sat-phone battery life on the market**. Location data feature (GPS) enables the user to look up or send in a text message.

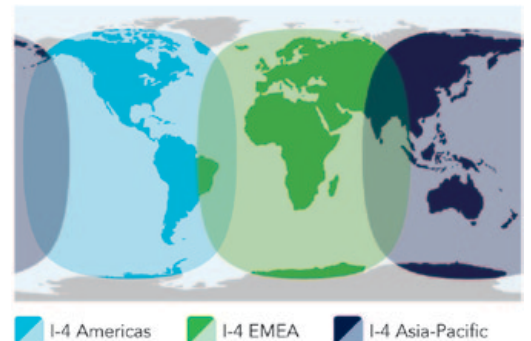

Utilizing the latest *Inmarsat I-4 satellite system*, the dependability and clarity of voice communications of the **IsatPhone^{PRO}** is unsurpassed.
